Messages from Melanie: 365 Pearls of Wisdom and Hope From Afar

In this little gem, Dr. Laurent F. Carrel chronicles messages he has received from the other side. After a long period of deep grief over the loss of his daughter at a young age, Dr. Carrel began to experience visitations from Melanie, followed by regular channeled communication. These daily messages, combined with Dr. Carrel's own strikingly beautiful art work, provide a heartwarming book that can give hope, encouragement and solace to anyone challenged by grief or the trials of life in general.
